Determination Quotes (1439 quotes)

Inspirational stories of brave and determined women worldwide. When Yeri Sali was 16 years old, her father died, and she was taken out of school and forced into an arranged marriage.

Socially Determined

Since a thing's criteria of identity are determined by its nature or kind, God is their ultimate ground. Nor are the links with the unions in themselves decisive in determining the class nature of a party.

Determined synonyms, determined antonyms - FreeT

Luff could put his goal on his highlight reel regardless of the goaltender. With time and space in the high slot, he made a perfect wrist shot to the top left corner about than 11 minutes into the ...

What does determined mean? - D

If you've got a major goal and you're serious about achieving it, you'll never get there without a serious dose of determination! Determination is to success as oxygen is to life. It is a pre-requisite. Anyone who has ever achieved anything significant has done so on the back of their determination.

The good news is []
